Explanatory Notes:

1. “**individual**” is defined in the securities legislation of certain jurisdictions to mean a natural person. The definition specifically excludes partnerships, unincorporated associations, unincorporated syndicates, unincorporated organizations and trusts. It also specifically excludes a natural person acting in the capacity of trustee, executor, administrator or personal or other legal representative.
2. “**financial assets**” means: (a) cash, (b) securities, or (c) a contract of insurance, a deposit or an evidence of a deposit that is not a security for the purposes of securities legislation. These financial assets are generally liquid or relatively easy to liquidate. **The value of the Subscriber's personal residence is not included in a calculation of financial assets.**
3. “**net assets**” means all of the Subscriber's total assets minus all of the Subscriber's total liabilities. Accordingly, for the purposes of the net asset test, the calculation of total assets would include the value of a Subscriber's personal residence and the calculation of total liabilities would include the amount of any liability (such as a mortgage) in respect of the Subscriber's personal residence.
4. “**related liabilities**” means liabilities incurred or assumed for the purpose of financing the acquisition or ownership of financial assets, or liabilities that are secured by financial assets. **Income tax should be considered a liability if the obligation to pay it is outstanding at this time.**
5. “**spouse**” means an individual who, (a) is married to another individual and is not living separate and apart within the meaning of the *Divorce Act* (Canada), from the other individual, (b) is living with another individual in a marriage-like relationship, including a marriage-like relationship between individuals of the same gender, or (c) in Alberta, is an individual referred to in paragraph (a) or (b), or is an adult interdependent partner within the meaning of the *Adult Interdependent Relationships Act* (Alberta).
6. A Subscriber who qualifies as an “accredited investor” by virtue of being an individual described in sections (j), (k) or (l) above, must complete a risk acknowledgement (i.e., Form 45-106F9 - Form for Individual Accredited Investors) attached as Schedule “B” (below).
7. **Subscribers who do not satisfy the monetary thresholds in the “accredited investor” definition do not qualify as accredited investors under the applicable paragraph.** The Corporation reserves the right to request the Subscriber to provide additional documentation to demonstrate that the Subscriber has met certain income or asset thresholds in order to determine whether the Subscriber complies with the terms and conditions of the accredited investor exemption and satisfy itself that the Corporation has properly relied on the exemption.

Please also refer to the Defined Terms on Pages 5 to 6.
